# Exercise Night Hawk 2018

SPECIALOPERATIONSKOMMANDOEN

# AIM

The aim of the exercise NH18 is to train and assess the **Special Operations Task Groups and Special Operations Air Task Group level** with all subordinate elements in Full Spectrum Special Operations in **a realistic tactical scenario** enabling training of maritime, land and air special operations and integration

SPECIALOPERATIONSKOMMANDOEN

# OBJECTIVE

To have the SOTGs and SOATG **conduct their internal staff procedures** from reception of any given task to initiation **within 96 hours**, with a quality which allows the subordinate units to procure relevant material, information and/or intelligence, which sets the preconditions for planning next task(s).

SPECIALOPERATIONSKOMMANDOEN

# SOF EX NIGHT HAWK

- Focused on the Task Group level but retaining Task Units as Secondary Training Audiences and Lower Control.
- INTEL driven, allowing Task Groups to "grow" in both Situational Awareness and analytical and operational capabilities.
- A number of live targets in civilian environment

SPECIALOPERATIONSKOMMANDOEN
